Leadership Team Application NOW open

The Leadership Team is comprised of 7 leaders from within the PPA membership. We are also looking for other NICU parent leaders that have expertise in legal and clinical areas. The team meets on average, 6 times per year via web-call and in person at the annual Premie Parent Summit. These volunteers are responsible for developing & executing the strategic plan for the network. They are tasked with, but not limited to, determining the annual budget & reviewing it quarterly, ensuring PPA activities are aligned with PPA mission & values, advancing the mission, representing the PPA network on steering committees for national provider associations & at conferences, and evaluating network performance on an ongoing basis.

Jennifer Degl and Morgan's FunDay honored Dr. Boriana Parvez of the New York Milk Bank on June 23 at the Mahopac Golf and Beach Club. The event was a huge success.

Our annual NYC "Tinis for Premies night out is happening on Nov. 9 and we're looking for local support or in kind donations to make the event a success. If you have contacts in NYC that can help, please let us know. Thanks!

'Tinis for Preemies

Hosted by Graham's Foundation

Event Information

Instituto PGG starts in July the pilot phase of its project to collect data on NEC in Brazil. The pilot phase starts with 5 reference NICUs in order to test both the content as well as the data collection methodology.
